Freedom of Information Request - Reference No: 20170885

REQUEST

For your Force area, between January 1st 2017 until April 30th 2017:

- ***The number of physical assaults, GBH and ABH occurring at newsagents and convenience stores;***
- ***The number of recorded verbal and racial abuse occurring at newsagents and convenience stores;***
- ***The number of knife related incidents occurring at newsagents and convenience stores.***

RESPONSE

I contacted our Crime Management System (CMS) Administrator for assistance with your request. She has advised that we do not have an option of 'convenience store' within the CMS as a premises type,

I have included a count of the specified offences recorded on CMS crime register, where the following premises types have been recorded -

- NEWSAGENT
- SUPERMARKET OR HYPERMARKET

I have provided data for the premise type SUPERMARKET OR HYPERMARKET as **convenience store** is not a premise type on CMS.

As the requestor did not specify offences by Home Office Offence class, I have included what I interpret to be such offences.
