**RESPONSE**

I approached our Operational Support Unit for assistance with Part 1 of your request. The Chief Inspector has advised that as the dates you are requesting are 20 -30 years ago, such material is unlikely to have been retained under MOPI and previous retention policies.

You recently submitted a similar FOI request, which was responded to under our reference 20210910. In our response we stated that the Fleet Manager had advised, that for a previous similar request for historical fleet information, that they could only provide a current snapshot of vehicles, as the list is one that is continually updated'.

Part 3 of your request would also fall as part of this historical fleet information.

Therefore, for all 3 parts of your request, our response is one of "No Information Held".
